$75 MONTH MAY BE SET AS PAY FOR CITY CLERK

Council Discusses Changes in Connection With Coming Election

Proposed salary for the city clerk beginning after the spring election is $75 a month, it was unofficially reported today, following an informal meeting of the Upland city council this week. The figure tentatively agreed upon by the officials may or may not be changed prior to adoption of a salary ordinance.

In seeking to readjust the office and the salary the councilmen held the informal meeting to discuss the situation. Perhaps additional informal meetings will be held before final action is taken next month.

MUST ACT SOON

Decision on the salary must be taken soon to incorporate the change in an ordinance and to meet other requirements prior to the city election. The present city clerk's salary is $10 a month. Before being reduced to this figure four years ago the salary was $65 a month, with the clerk retaining all the fees collected by him for various official duties.

Under the proposed set-up, the clerk will be given the salary and office space, but it is expected all fees collected will be turned over to the city treasury. An office, opening off the city council chambers on the north side of the city hall, is scheduled to be designated as the city clerk's headquarters.

CAN USE SPACE

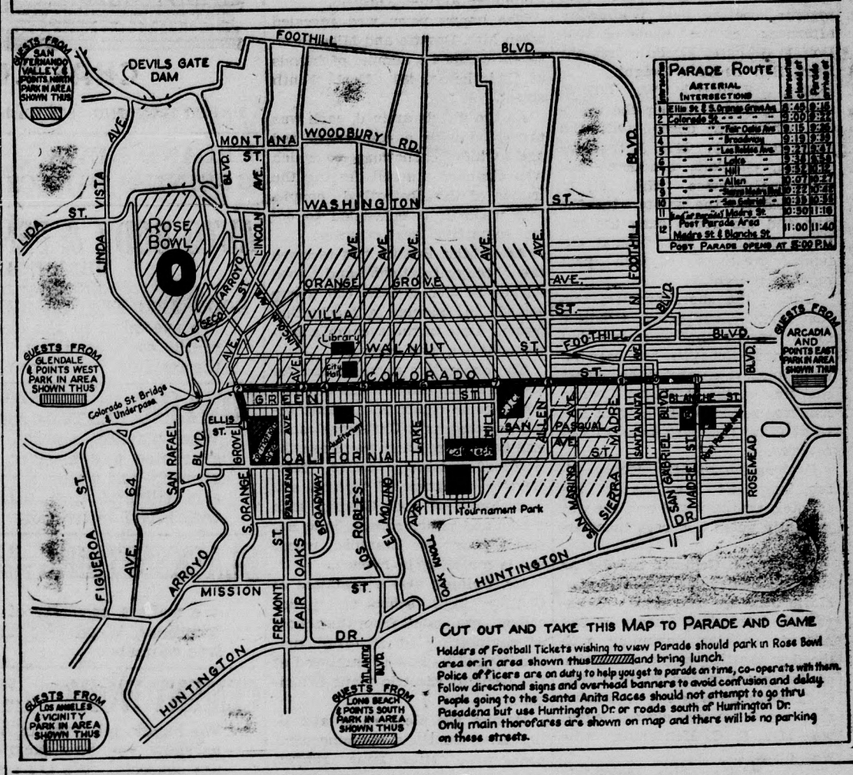

The clerk will be privileged to use the office for any private work or business that the official may maintain on the side, according to an explanation by one of the councilmen.

It is pointed out that the council meeting was in no matter a "secret one", but merely an informal gathering to discuss one of several matters pending before the officials.

Eldon F. Bert, the newly appointed clerk succeeding Ernest C. Mehl, was sworn into office on Wednesday morning. He will receive the $10 a month salary.

Change in the salary becomes effective with the start of the new term after the spring election.

Hospital Mortgage Paid And Building Is Debtless For First Time In History

San Antonio Community hospital today enjoys a clear title, as a result of the raising of $10,000 by private subscription in recent months, which enabled the association to cancel the trust deed that was held against the property.

This is the first time in the history of the hospital, erected 15 years ago, that no mortgage has been recorded against it. Charles V. Barr, president of the board, made the announcement of the debt cancellation today.

When the hospital was erected in 1924 the indebtedness was approximately $60,000. Since that time contributions have gradually reduced the indebtedness of the institution.

A fifty-five bed hospital, the local institution has kept pace with all modern improvements and now represents an approximate investment of $250,000, according to Mr. Barr.

MERTZ TO MANAGE OXNARD ACREAGE

Local Man Will Direct Work On 640 Acres of Young Lemons

Walter Mertz, formerly manager of Liberty Groves, left last week for Oxnard, where he will serve as foreman for the Utt Development company, a corporation composed of four individuals who operate 640 acres of lemons. The acreage includes trees from one to nine years of age. Forty additional acres of lemons are to be set out this spring.

Mr. Mertz has been identified with operation of large citrus acreages for many years, having managed the Foothill Frostless Fruit company acreage in Alta Loma, and the David Hughes holdings of 600 acres of citrus east of Orange, besides the Liberty Groves Operating corporation.

For a number of years he was connected with the Citrus Experiment station in Riverside.

He has served on the board of directors of the Citrus Fruit association of Ontario, of the Euclid Extension Water company, and of the Cooperative Fumigation and Supply company.

Mrs. Mertz will remain in Ontario with the children of school age until the close of the school year. The family may then move to Oxnard.

The Utt Development company is headed by Mr. Utt, who manufactures Isabella Grape Juice in Tustin. Carl Newman, also of Tustin, is another member of the firm.

James Mertz, son of Mr. and Mrs. Mertz, is taking over the management of the two orange groves and the lemon groves owned by Walter Mertz.

Construction Here In Slight Slump As December Total Down

Hitting a low point in the construction activity here, building and structural improvements in Upland during December up until noon today had a valuation of $1,668, according to figures in the office of Building Inspector Richard Derby.

This figure, added to the total for the previous 11 months, places the 1939 construction mark at $112,234.

The 1939 total is only a third of the construction figure a year ago. Last December's building permit total was $7,652, and the 1938 total was $388,776.

Schools Fresh for Opening Tuesday

When Upland school children return to class rooms next Tuesday, after a vacation of two weeks and one day, they will find windows shining, floors re-waxed and desks sparkling.

For house cleaning time in the schools is always during the Christmas vacation when opportunity is given the custodians to catch up with extra cleaning which is not possible when school is in session.

At the Upland junior high school some painting was done inside the building. Walls in the offices were redone, and teachers desks were varnished.

Mrs. J. H. Hartzog has gone to San Francisco to visit at the home of her son and daughter-in-law, Mr. and Mrs. Douglas Hartzog. Ruth Hartzog, her daughter, will return with Mrs. Hartzog tomorrow.

Hanson Fruit Co. Plant Leased to Marketing Firm

The Andrews Bros. Co. of Los Angeles has leased the G. A. Hanson Fruit Co. packing plant on Stowell street, it was announced today by R. H. Henderson, who will be in general supervision of the plant.

Extensive alterations and improvements are under way and by the time the navel orange harvest season is actually started, the packing house will have all modernized facilities.

The Hanson Fruit Co. is widely known in the community but due to the absence of Kenneth Hanson in Honolulu, the packing house is being leased. G. A. Hanson will continue to maintain an office in the building.

Andrews Bros. Co. came to California several years ago from the Detroit and Pittsburg markets, according to Mr. Henderson. While Mr. Henderson will supervise the firm's business here, he said he would continue his present office.

TRUCK SHIPMENTS HERE ARE DELAYED

Harbor Congestion Delays Delivery of Fertilizer To Groves

Congestion in Los Angeles harbor, resulting from the tie-up in San Francisco harbor, has its repercussions in Upland, W. E. Allen, who operates a trucking business here, explained today.

The S. S. Sagebrush docked in Los Angeles harbor on December 15, bringing almost 100 tons of fertilizer from Boston, destined for Upland, for distribution here. However, it was not until Tuesday of this week that it was possible to discharge the cargo. Two of the Allen trucks spent three days hauling the fertilizer here from the harbor. The fertilizer, for use on citrus orchards, is a Du Pont by-product.

Another boat, bringing fertilizer from Boston, is due to arrive on January 16.

ACCUSED MURDERER ASKS FOR DEFENSE

Attorney Named to Represent Julian Cole, Who Tells of Killing Edwards

Julian Cole, who confessed that he murdered Arthur E. Edwards, Ontario auto court owner, is today in the county jail pending his arraignment on a murder complaint.

Rather than to submit his case to a superior court judge without defense, the prisoner has asked for the appointment of an attorney. Judge Charles L. Allison named Homer M. Bail, San Bernardino, to represent the accused.

The murder case that for a time baffled police officers, struck a startling development when Cole confessed late Tuesday his part in the tragic death of the Ontario resident. In confessing he expressed his desire to "get it over with" immediately. Later, however, he said he wanted an attorney to present a defense in his behalf.

Deputy Sheriff Jack Brown has played a prominent part in the apprehension of Cole and in obtaining the prisoner's confession.

ORANGE PICKERS TO START WORK HERE NEXT WEEK

Total of Fruit on Trees Now Equal to Cars Shipped Previous Season

Estimate of the tree crop of Navel oranges for the season soon to get under way is 1750 carloads from the packing houses served by the Ontario-Cucamonga Fruit exchange, according to H. B. Harlow, manager.

While the crop is lighter than last year, the sizes will be larger. The estimate of 1750 carloads is for the crop on the trees, and will be reduced considerably by cullage. Frost and wind damage frequently cause cullage.

Last year approximately 1750 carloads of Navels were shipped by the local exchange. Marketing of a large crop last year was complicated by a predominance of small sizes. Unmarketable sizes last year resulted in heavy cullage.

First picking of Navel oranges in this section is to start next week. In anticipation of the start of the orange picking season, a number of families, including several Mexican families, have returned to Upland.

Navels are not as sweet nor as deeply colored now as they will be in two months, when heaviest picking takes place.

Estimate of the tree crop of Navels in Southern California is 24,000 carloads. Central California estimate is 10,000 carloads.

Lt. Combs, Wife and Baby Here, Prior to Transfer to China

Surprising their parents last week, Lieut. and Mrs. Walter Vincent Combs and baby son, arrived from Pensacola, Fla., and are visiting with Mr. and Mrs. W. V. Combs, West Twenty-third street.

Mr. and Mrs. Combs and son, Walter Vincent III, will sail on the President Garfield on Jan. 16 for China. The Combs left Florida a week ago last Monday. The baby was born in Florida three and a half months ago, and his arrival here furnished a pleasant Christmas surprise for the grandparents, and for his great-grandmother, Mrs. G. Blake Garrison.

On Christmas day, the Combs family and Mrs. Garrison had as their guest Lieut. Charles Eisenbach, a class-mate of Lieut. Combs at Annapolis, who is now stationed at San Diego.

Setting Out of Trees On City Park To Be Started As Final Plans Approved

Bringing to realization the development of a park in Upland, workmen will soon start digging holes for the placing of 4,000 trees on the 47 acre municipally-owned tract on San Bernardino road. Upland city councilmen and planning commission members met on the park tract yesterday and approved the general landscaping program.

Available without cost at the county's nursery, the trees will be placed on the park property early in 1940. For several weeks SRA workers have been clearing brush from the property. Additional work of disking the soil, of definitely outlining the tree rows and other preliminaries will be completed before the park beautification project is actually started.

Obtained in 1937 by the city for the site of a park, the property's eastern boundary is about 200 feet east of the San Antonio Community hospital grounds. The park site extends from San Bernardino road to Foothill boulevard.

MAY EXTEND ELEVENTH

Possible extension of Eleventh street in more or less of a winding route east through the park property is outlined on the landscape sketch. In general, trees will be placed along the outer borders of the park and along the anticipated right-of-way of Eleventh street extension.

The park landscaping project also provides for the development of various recreational projects and improvements and the trees will be placed in accordance with the planned program.

Included in the park project may be a bowling green, site of which is tentatively placed near San Bernardino road and the western boundary of the property.

TO INSTALL PIPES

Small water pipes, taken up in the city's water department replacement program, are to be used in the park's irrigation system. Water will be piped to the tree rows so that the trees will be irrigated at regular intervals at a minimum of expense.

Meeting on the park project yesterday to personally inspect the tree planting program were Mayor D. J. Cameron and Councilmen V. H. Wilson, Perry O. Long, C. Ernest Olson and A. H. Johnson. H. H. Reimer, V. Wade Holden and Mrs. Lillian F. Baxter are the planning commissioners. Richard G. Manley, Edward E. Gray and Mr. Wilson are on the planning commission. Mrs. Baxter inspected the park and the plans Wednesday and was not present at yesterday's meeting.

REQUESTS TREES

Several months ago Mr. Manley learned that it was possible for the city to obtain the 4,000 trees from the county's nursery. He immediately requested the trees and this timely gesture resulted in definite plans being made for setting out of the trees.

Air Traveler, 80 Next Month, Here

Eighty years old next month, Mrs. Susan Phillips of Perry, Iowa, cousin of Mrs. F. J. Hill, 428 Euclid avenue, is one of the nation's most enthusiastic air travelers, since her trip by plane shortly before Thanksgiving. Mrs. Phillips is now a guest at the Hill home here, having come from Burbank this week, after visiting her granddaughter in Burbank since her arrival in Southern California in November.

COL. TAYLOR IS WIDELY MOURNED

Funeral for War Veteran and Citrus Grower To Be Held Saturday

Succumbing to an illness of several weeks, Col. Wallace C. Taylor passed away shortly after 12 noon Thursday at his ranch home on West Twentieth street.

A member of a widely known family, Colonel Taylor was a prominent figure in the Spanish-American war and during the unsettled period in the Philippine Islands that followed. Since locating in Upland a number of years ago, he had become well known as a successful citrus rancher and public spirited citizen and word of his death brought sincere expressions of regret from many friends.

Colonel Taylor was born May 26, 1872, in Wenona, Ill., the son of the late Senator and Mrs. Cadet Taylor, and brother of the late Herbert B. Taylor. Several years of his boyhood were spent in Washington, D. C., and then in 1886 the family moved to Omaha. He graduated, president of his class, from the Omaha high school in 1891.

Shortly thereafter he helped form a military company, which later became the Thurston Rifles, and as an officer thereof he participated with them in many successful drill competions throughout the country.

SERVES WITH HONOR

At the outbreak of the Spanish-American war the Rifles were called to active service, and as captain of Company L, later as major, of the First Nebraska Regiment, he served in the Philippine Islands with marked distinction throughout the entire war and the insurrection which followed.

When the regiment was discharged from further active service, he was commissioned in the 39th U. S. Vol. Infantry, served in the Islands and remained there when that regiment was returned to this country.

He then helped to organize the Philippine constabulary. His responsibilities were many and his duties hazardous, and he fulfilled these with the same ability, faithfulness and brilliance which marked his entire career. He was assistant chief of the constabulary, being in sole charge of the Islands for months at a time during the absence of the chief. On two occasions he was offered a commission in the regular army, but preferred other service.

He was twice wounded, once so severely that he had less than an even chance for recovery.

Feb. 25, 1914, he was married to Miss Jeannette H. Lewis of Los Angeles, and his eldest son, Wallace C., Jr., was born in the Islands.

HERE IN 1916

His health finally breaking, he returned in the fall of 1916 and settled on a citrus grove in Upland, with his brother, who had started the grove in 1909, and where he had spent his vacations for a number of years.

Several years ago he served as

INQUEST HELD FOR VICTIM OF CRASH ON CHRISTMAS EVE

Alta Loma Resident Dies as Result of Injuries Received in Accident

An inquest was scheduled for this afternoon over the body of Pedro Hernandez, 47, of Alta Loma, who died yesterday following injuries suffered in a Cucamonga accident Christmas eve. Principal witness at the inquest will be Mrs. Louisa Jones, Etiwanda, who was driving the automobile figuring in the crash.

Rather than the motorist striking the pedestrian, the pedestrian hit the speeding automobile, according to reports to officers. Hernandez was just leaving a cafe at Archibald avenue and Foothill boulevard to go across Foothill when he failed to notice the automobile that was going east.

The injured man was taken to the county hospital, where he died at noon yesterday. Funeral services are to be held tomorrow morning in Guasti. Stone funeral home is in charge of arrangements.

Etiwanda Mail Man Dies on Job Today

For 11 years, William McClean, Etiwanda, has arisen early each morning to go to the Santa Fe railway track and meet the mail train and then deliver Etiwanda's mail at the post office for distribution to the residents of the community.

Today he arose in his usual manner and his automobile was at the usual place when the mail train went through. But Mr. McClean didn't get the mail because death had ended his services. The lifeless body of the 74-year-old Etiwandan and postal employe was found in the car later this morning when an investigation was made.

Mr. McClean and his family went to Etiwanda 26 years ago from Amarillo, Texas. He is survived by his widow, two daughters, Mrs. Clyde L. Webb, Temple City, and Mrs. Mervyn M. Folks, Rialto, and by a son, Cyrus C. McClean, Santa Monica, and by three sisters, one brother, residents of eastern states.

Mr. McClean was a member of the Etiwanda Community church. Funeral services will be held at 3:30 o'clock tomorrow afternoon at the Stone funeral home in Upland. Interment will be in Bellevue cemetery.

Following the dinner a brief program will be held with the Rev. Joseph W. Johnston, Pasadena, the speaker.

Upland During 1940

Nineteen hundred and forty should be an important year for Upland.

In just a few days after the old year passes, work is scheduled to start in the setting out of 4,000 trees on the city's park land on San Bernardino road.

An eyesore on South Euclid avenue will likely be removed during 1940. The city council is ready to have the parkway extended south to the city limits just as soon as the Pacific Electric freight track is removed. Removal of the track itself will be a major improvement to the beautiful avenue. Extension of the parkway will give Euclid a solid carpet of green lawn from Foothill boulevard south through Upland and Ontario.

Other Improvements

At Euclid and Foothill, Upland has a real opportunity to further beautify the widely used intersection. Lights placed in the pepper trees to focus on the slim, graceful foliage would be a sight for all the southland to talk about. Request for such a distinctive improvement has been formally made to the city council.

Another improvement that should receive the serious consideration of the councilmen is the placing of ornamental trees along the outer edge of the sidewalks in the business district.

Elections

All elections should be regarded as important. The right to have a voice in choosing who will run the government—local, county, state and national—is a privilege that should be used seriously.

Only a few months off is the municipal election. Terms of C. Ernest Olson and V. H. Wilson expire. The revived interest in local government should be especially active next April and voters should be studying the municipal problems carefully.

The presidential primary will be in May and the state primary election comes in August, with the general election in November. An important school board election will be held in June.

The City Clerk's Position

The city councilmen have tentatively agreed to fix the city clerk's salary at $75 a month, effective at the start of the new term next spring. Perhaps that is the right figure, perhaps not. Some readjustments will be necessary in the city's bookkeeping routine under the new set-up because it is expected the city clerk will handle all the duties of the office and not delegate the bookkeeping work to deputies.

The person who has been doing the city clerk's bookkeeping and accounting work has estimated that it takes about 25 per cent of the time.

The councilmen, however, are in a position to know best the work to be done and they will set a fair wage. We know the taxpayers hope the councilmen will set a figure that is not too high. The readjustment in city hall affairs should result in a saving, not an increase.

Happy New Year

Nineteen-forty, an eager, firey, ambitious newcomer to this world, is capable of great achievements. Opportunity is what the New Year offers in generous measure—opportunity to people, to cities and to nations to correct past mistakes and hew to better, wiser ways of doing things; opportunity to make good new resolutions and to stick to 'em; opportunity to succeed where last time we failed and a new chance to make this city and this world a happier place in which to live—not only for ourselves but for others.

War Conditions in London Are Told in Letter to Uplander

What it is like for a country to be at war is vividly depicted in a letter recently received from a relative by Mr. and Mrs. A. J. DeMeyere, San Antonio Heights.

"A great many of the larger firms have evacuated their staff to the country," reads the letter. "I was lucky enough to stay behind in London. So far the war hasn't affected us very much though, but perhaps it is too much to expect things to continue like this. The blackout is rather a nuisance. We have all the theaters open again now but there is difficulty in getting to and fro. It is really surprising how quickly we have become used to it. Apart from this we are living a perfectly normal life. I am telling you this because I know how your American newspapers love to splash the headlines and probably give you a far worse impression than is really the case.

"Nearly all the monuments have been removed or walled in. The large stores have immense air-raid shelters built underground to hold 1,000 people. Without them, they wouldn't do any business. The large residences in the west end are deserted and many shops are closed.

"The black-out really is black. Wherever we go we carry our gas masks and we are all registered and numbered. We are not rationed yet, but have our books ready for butter, sugar, bacon and ham.

"Recently a German plane flew up the Thames. It was driven back not far from here. We heard the anti-aircraft guns."

Californians Speak

John Lewis Byron, L. A. investment specialist—"Untold wealth is what you don't tell the income tax collector about."

W. Fink Mitchell, Sacramento investment banker — "England, France, Germany, Russia, Japan and China are no longer competing with us in world trade. It is obvious that America will become the food store, clothing store and major manufacturing source for a world at war."

Herbert Hoover—"The response to the appeal for Finnish aid has been wonderful. Happily we are not yet so accustomed to blood or the cries of the defenseless that our sense of justice has been dulled or the wellspring of pity run dry."

Mayor Marc Vertin, Los Gatos, defying state highway officials to remove old landmark tree—"They can't do that to Los Gatos! The tree loves us. We love the tree. We won't defy the Supreme Court—but until it speaks, our cops'll protect that tree!"

Eastern Star Chapter Installs Officers For New Year

In a colorful ritualistic ceremony, 1940 officers of Upland chapter, Order of Eastern Star, were installed last evening in the Masonic lodge hall, Mrs. Arthur Relph being instated as worthy matron, succeeding Mrs. Francis S. Wagner, while John Scott became worthy patron, succeeding Francis S. Wagner.

The chapter room and the dining hall were handsomely decorated with gilded pine cones, silvered foliage and redwood boughs. The new matron wore a gown of heliotrope blue taffeta and carried a bouquet of flowers in harmonizing shades, while all other officers installed were gowned in white and the installing officers wore gowns of varying colors, the combined effect being especially pleasing.

The new officers installed, in addition to Mrs. Relph and Mr. Scott, were Miss Eunice Mitchell, associate matron; Orton Brady, associate patron; Mrs. C. O. Deverts, secretary; Mrs. Roy Creighton, treasurer; Mrs. Scott, conductress; Mrs. Marian Pierce, associate conductress; Mrs. Perry O. Long, chaplain; Bela Coleman, marshal; Mrs. J. Lynmard Grahame, organist; Mrs. Ray C. Norton, warder; Francis B. Harn, sentinel, and the five points of the emblematic star: Mrs. Dorothy Garrett, Adah; Mrs. Elizabeth Brown, Ruth; Mrs. Violet Campbell, Esther; Mrs. Alta Lawyer, Martha, and Mrs. E. Tweed Stone, Electa.

Installing officers were Mrs. Francis S. Wagner, worthy matron; Ray Norton, past patron; Mrs. Bessie Belsley, deputy grand matron; Mrs. T. M. Nichols, past matron; Mrs. Blanche Loch, past matron, and Mrs. Donald E. Hill, chaplain.

Francis S. Wagner served as master of ceremonies; Mrs. V. H. Wilson, mother matron of the chapter, gave a short history of the organization of the chapter; Mrs. Alice Wardman was installing organist, and Mrs. H. D. Robbins and Mrs. Dorothy Rogers, were installing marshals. Ushers were Roger Scott and Walter W. Horak.

Carrying the Bible was little Nancy Moller, granddaughter of Mr. and Mrs. John Scott, while Crystal Relph lighted the candles and Walter H. Andrews served as flag bearer.

The usual ritualistic procedure of escort and installation was followed and the interspersing music was provided by the Misses Peggy Grahame and Prudence Relph, who sang a duet; Judge Thomas Donnelly and Prudence Relph, soloists, and the Misses Prudence and Crystal Relph, daughters of the new worthy matron, who sang as a duet "In the Garden" just preceding the benediction.

The installation was witnessed by approximately 200 persons, many guests coming from a number of neighboring chapters, and at the conclusion of the ceremony the entire company repaired to the dining hall, where refreshments were served. Completing the decorative arrangement of foliage and pine cones on the table, seven tall blue tapers were lighted.

Presiding at the coffee urns were Mrs. V. H. Wilson, Mrs. T. M. Nichols, Mrs. Ray C. Norton, and Mrs. J. J. Wortham. Chas. O. Deverts was in charge of the coffee.

Mrs. T. M. Nichols very successfully served as hostess for the evening.

The first meeting at which the new officers will preside will be held on January 8, 1940.

The meeting will open as usual at 9:30 a. m. at the club house and Mrs. Hill urges all of the officers and directors to remember the importance of being present for this first meeting of the new year.

Past Regents of San Antonio Chapter Are Honored

Past regents of San Antonio chapter, Daughters of the American Revolution, were extended special honors during the past regents meeting held Wednesday afternoon at the home of Mrs. Don E. Palmer, Euclid Crescent East, San Antonio Heights.

Mrs. Frederick W. Wikoff, regent, presided during the meeting, which was opened with the usual ceremony. Mrs. J. I. Countryman, chaplain, conducted the devotional service, Mrs. M. L. Gottfried led the salute to the flag and the group sang the national anthem. Mrs. Wikoff extended greetings to the past regents present.

During the short business session Mrs. Wikoff called attention to the recent announcement that San Antonio chapter has been invited to serve as one of the hostess chapters at the Southern Counch luncheon session to be held on Jan. 16 at Chapman Park hotel in Los Angeles.

Resignation of Mrs. Henry Olson, long time member of the chapter, was received and she was promptly voted honorary membership.

Mrs. A. R. Gemmel, serving as program chairman, presented Mrs Marie Jesson, who gave an especially interesting history of San Antonio chapter, beginning with the first meeting and organization of that group on Jan. 30, 1910. Mrs. C. G. Peabody was the organizing regent and the first elected regent was Mrs. S. C. Henderson, who was present.

In her history, Mrs. Jesson told of the highlights of each regime, paying tribute to each past regent, several of whom were present.

Mrs. Gemmel had the pleasure of presenting the past regents who were present and to each she gave a corsage of sweet peas. The past regents in attendance were Mrs. S. C. Henderson, 1910-12; Miss Elsie Hamilton, 1920-21; Mrs. E. W. Thayer, 1922-23, then residing in Upland and still a member of the chapter, though making her home in Los Angeles; Mrs. Marie Jesson, 1925-26; Mrs. Frank L. Allen, 1930-31, and Mrs. Everett W. Henry, 1932-33.

In addition to Mrs. S. C. Henderson, charter member, a second charter member, Mrs. O. K. Granger, was present and was presented with a corsage.

As speaker of the afternoon, Mrs. Walter S. Gist gave her 'Alaskan Memories", telling many interesting things about her tour of Alaska that took her into the Yukon territory.

Mrs. Palmer gave a short but inspiring talk on the spirit of Christmas and then she, at the piano, and her daughter Barbara, with her violin, played "Joy to the World" while the guests joined in singing the first verse of that well loved song.

Mrs. W. J. Hutchinson presented her small daughter, Susanna, who sang "My Heart Ever Faithful" (Bach) and "Away in the Manger" (Spilman).

Mrs. Chas. A. Mayo read a message by Mrs. Imogen B. Emery, national chairman of defense through patriotic education, who discussed "Peace to Men".

After adjournment of the chapter meeting, a social hour and candlelight tea further complimented the guests of honor, the past regents.

Hostess committee included Mrs. U. J. Schmid, chairman; Mrs. W. J. Hutchinson, Mrs. Ernest Merckling, Mrs. C. A. Mayo, Mrs. F. H. Wallihan, Mrs. Alexander R. Gemmel and Mrs. Palmer.

Mrs. Frank Story, mother of Mrs. Hutchinson, was a visitor and the members present, in addition to the hostess committee, were Mrs. Wikoff, Mrs. Mae C. Blackert, Miss Tessie Bennett, Mrs. L. E. Coons, Mrs. J. I. Countryman, Mrs. Walter S. Gist, Mrs. M. L. Gottfried, Mrs. O. K. Granger, Mrs. Alexander Grant, Miss Anna Hamilton, Mrs. J. F. Hamilton, Mrs. W. J. Hutchinson, Mrs. Earl H. Johnson, Mrs. L. R. Nichols, Mrs. H. A. Spies, Mrs. W. W. Stevens, Mrs. Guy F. Underwood, Mrs. C. W. Walker, the past regents named above and the hostess committee.

Miss Beattie Reveals Her Engagement to Allen Palmer

Of special interest to many friends of the couple and of the two prominent families, was the announcement made last evening of the engagement of Miss Dorothy Jean Beattie, daughter of Mr. and Mrs. W. K. Beattie, and Allen Louis Palmer, son of Mr. and Mrs. Frank F. Palmer, 1158 Columbia avenue, Ontario.

The happy news was revealed when Mrs. Beattie and Miss Beattie entertained a number of friends at their home, 491 East Ninth street.

As the guests arrived, each was presented with a corsage of red and white carnations, to which was attached a scroll bearing the names of the betrothed couple. The wedding is scheduled to occur some time next summer.

After Miss Beattie had received the congratulations and good wishes of her guests, the group joined in playing a fascinating game. Late in the evening a buffet collation was served.

The decorative arrangement for the party emphasized the red and white color combination, that being selected as a Christmas motif and because red and white are the Stanford university colors. Miss Beattie, a native of Upland and a graduate of both Chaffey high school and junior college, is in her senior year at Stanford, where she is majoring in French.

Mr. Palmer, also a graduate of Chaffey high school and junior college, graduated from the school of engineering at Stanford university and he now is employed at the General Electric plant in Ontario.

Having the pleasure of attending Miss Beattie's announcement party were Miss Irma Dinger, Miss Nadine Eastlack, Miss Betty Anderson, Miss Gladys Anderson, Miss Bonney Linsley, Miss Marie Standlea, Miss Winifred O'Brien, Miss Julia Fischer, Mrs. Roger Moore, and Mrs. Wm. A. Smith, all of Upland; Mrs. Frank F. Palmer and Miss Betty Palmer, mother and sister of Miss Beattie's fiance; Miss Charlene Fallis and Mrs. Max Wheeler, of Ontario; Mrs. Fletcher G. Palmer of Oakland, sister-in-law of Mr. Palmer; Misses Virginia and Jane Reeder, of Rosemead; Miss Margaret Hill, of Berkeley; Mrs. Gray (Janice Ripley) Kittering, of Arlington, and Miss Jean Irwin, of Balboa, Canal Zone, classmate of Miss Beattie at Stanford; Mrs. Willits D. Hole, of LaHabra, sister of Miss Beattie, and Mrs. W. K. Beattie.

Chamber Officials Ready to Get New Plates for Local Motorists

With more than 500 motorists likely to make use of the free Upland chamber of commerce 1940 license plate service, final arrangements were made today for obtaining the first plates early next week.

Most local motorists have received from the state vehicle department a notice of the amount of money due in taxes and 1940 license fees.

When motorists apply through the chamber office for their new plates it is imperative that they bring this card, the money and their certificate of registration, Secretary Ellery F. Wright declared today. While extending an invitation to all motorists to use the chamber service, Mr. Wright emphatically pointed out the need of the applicants providing the chamber with all the necessary funds and papers.

The license plate service will be started Tuesday and continued until the evening of Jan. 12.

The chamber office will serve as the clearing house for obtaining the plates. Applications will be taken from here every morning to San Bernardino by a member of the California highway patrol. Later the plates will be brought to the chamber office for distribution to the car owners.

Details of Census Explained to Club

Details of the 1940 census were described by Lon V. Sieglar, in charge of the census for the 19th Congressional district, at a meeting of the Young Democrats club held last night at the Ontario hotel. The meeting was attended by 25 persons from the West End.

Two hundred persons will be employed in the three counties—San Bernardino, Riverside and Orange—comprising the congressional district, the speaker said. Applications have been received from twice the number of persons who are needed for the work. Taking of the census will start in two weeks and will be completed on June 31.

The 1940 census will be the most comprehensive ever to be compiled, Mr. Sieglar said. All information obtained will be regarded as strictly confidential, and will be accessible only to statisticians in Washington, D. C.

LEAMAN FAMILY IN HAPPY CELEBRATION

Sons and Daughters and Their Families Gather at Parental Home

The parental home of the Leaman family, 1320 West Arrow highway, was the scene of a happy Christmas celebration Monday, when Mr. and Mrs. J. B. Leaman were hosts to their sons and daughters, their grandchildren and "in-laws", 25 being present for the family gathering.

A bountiful Christmas dinner of many delectable dishes was served and presents were given and received by all members of the group as they gathered about the beautifully trimmed Christmas tree.

Adding much to the pleasure of the day was the fact that Mrs. Leaman, who for the past few years has not been in good health, is now a great deal better and was feeling fine on Christmas day, joining in the family festivities with a happy spirit.

Other pleasant features of the afternoon were visits from a number of friends. Mr. and Mrs. Wesley Plum of Prescott, Ariz., and Mr. and Mrs. Harry Plum of Upland, came in to bring Christmas greetings. The younger members of the Plum and Leaman families were friends in their school days. Mrs. Pearl Gill, who was in the Leaman home for some time four years ago, being Mrs. Leaman's companion, and her son-in-law and daughter, Mr. and Mrs. Carl Nelson of Ontario, were among the callers in the afternoon.

Attending the family gatherings were Mr. and Mrs. Charles Foster and daughter, Marjorie, of Riverside; Mr. and Mrs. DuWayne Ammerman and Yevonne and Robert, of Arlington; Mr. and Mrs. Frank Coppo and Joan and Robert, of Mira Loma; Mr. and Mrs. Enos F. Leaman, Phyllis Jo and Donald and Ronald, of Upland; Mr. and Mrs. LaVerne Leaman, of Upland, and Mr. and Mrs. LeRoy Leaman and daughters, Jerry and Yevonne, of Lake Arrowhead, all members of the Leaman family; also Verna Bynum, Mrs. Leaman's companion, who assisted her in entertaining and who will leave on Jan. 1 to make her home in Colinga, to the keen regret of the Leaman's, who have greatly appreciated her companionship.

OTHERS NOT PRESENT

Other members of the family group who were unable to be present were Mr. and Mrs. A. H. Goodwin and family of Pasadena, and Mr. and Mrs. Paul Leaman of Los Angeles. However, Mrs. Paul Leaman found an opportunity to stop by for a short time in the evening.

LeRoy Leaman, who is fire chief at Lake Arrowhead, returned home Monday evening, but Mrs. Leaman and their daughters remained over until Wednesday and went on to Los Angeles to visit with her mother for a few days.

GAS TAX INCOME WILL SET RECORD

Sales to Motorists Results in State Board Getting Huge Sum

Income from California's gasoline tax promised to reach an all-time high in 1939, it was indicated today in a report prepared by the State Board of Equalization.

The tax for November was assessed against the distribution of 154,277,430 gallons of gasoline for a net income to the state of $4,628,322.90, the board reported. This represented a gain of 12.37 per cent over the income for the same month of the previous year.

As a result of this substantial increase it appeared assured that the total for the calendar year would exceed that of 1938, when an income of $51,601,430.04 established a record for this source of revenue.

"SWANEE RIVER" AT FOX MIDNIGHT SHOW

"Swanee River", a story by Stephen C. Foster, the great American troubadour, is brought to the Fox screen at the Midnight New Year's Eve show, Pomona.

This technicolor film stars Don Ameche, Andrea Leeds and Al Jolson. Program will also include short subjects, news and favors.

CHRISTMAS PLAY ENDS SATURDAY

Establishing new records for attendance, "Las Posadas", annual Christmas drama of the Mexican Players, will close Saturday night.

Introducing all the interesting and exotic Christmas customs of Old Mexico, such as the hanging and breaking of the pinata, substitute for the Christmas tree, and a spectacular Yuletide fiesta, presenting quaint masked dances, the play tells the dramatic story of a humble Mexican family who narrowly escaped a Christmas Eve tragedy.

"CRICKET ON THE HEARTH" AT PLAYHOUSE

A cricket's chirp strikes a tuneful note on the scale of Yuletide sounds as Charles Dickens' beloved story, "Cricket on the Hearth", continues its special holiday staging at the Pasadena Community Playhouse. It will end Jan. 6.

The delightful and familiar novel of the young Perrybingles, of Caleb Plummer and his beautiful blind daughter, of Mr. Tackleton, the toy merchant, who delighted in selling ugly faced dolls, is dramatized by Gilmor Brown and the Playhouse leader is seen in his familiar role of the story teller.

In 1923 and again in 1932, the Playhouse stage reflected the spirit of the cricket in bringing to stage-life this delightful set of Dickens' characters, forming an endless set of Cruickshank drawings in holiday parade.

The United States leads the civilized world in homicides. The only country approaching ours in this matter is Finland.

TOURIST TRAVEL PICK UP FORECAST

More Visitors Coming Here Than Formerly, View Of Officials

An "above normal" tourist crop this winter was forecast today by the country's travel experts.

This prediction, welcome to Southern California, where the tourist industry is the biggest of all save oil, was made in a nationwide air mail poll conducted by the All-Year club, the community's official tourist promotion agency.

Of those polled, 73 per cent gave their opinion that travel is going to be "above normal" to Southern California and elsewhere throughout the United States. The rest said "normal" and none saw a bad winter.

They cited unusually large advance reservations for winter trips here and to other U. S. resort areas and an unusually big flock of inquiries about winter travel.

Don Thomas, managing director of the All-Year club, said that both improved economic conditions and the European war were credited for the pickup in the replies.

INDIA DESCRIBED AS PROGRESSIVE

Lloyd Lorbeer Speaks at Lions Meeting on Spirit of People and Leaders

India is progressing in almost every phase of national life and under the unofficial leadership of Mahatma Gandhi, religious and social barriers are being rapidly wiped out, declared Lloyd Lorbeer at the meeting of the Upland Lions club in the Red Hill Country club house yesterday.

A missionary in South India for 21 years, Mr. Lorbeer said that one of the national goals is not so much the country's independence from England as it is the status of a dominion, similar to Canada and Australia.

In going ahead, Mr. Lorbeer said, India so far has been doing it along evolutionary and not revolutionary lines. Among Mr. Gandhi's iron-clad principles is that of "non-violence, absolute truth, total abstinence and abolition of the casts", according to the impressive speaker.

Mr. Lorbeer said the nation's unofficial leader is considered a saint rather than a statesman.

In India is one-fifth of the world's population and of this great mass 91 per cent are illiterate, according to the missionary, who said it was the task of his school to turn out 100 teachers annually and to instruct Indian preachers in their duties.

J. Emery Sargent was program chairman. Dr. Earl L. Wenger, president, presided.

State Picnics

MICHIGAN

Another great Michigan picnic is drawing near. It will be held in Sycamore Grove park, Los Angeles, Saturday, Jan. 6, 1940.

There are more than 150,000 people in California who formerly claimed Michigan as their place of residence. The weather permitting, and California weather usually permits, we should have several thousand of these one-time Wolverines greeting old friends and making new friends at our big annual out-of-doors mid-winter picnic.

OSCAR P. WHITNEY IN NEW POSITION

Cucamonga Resident Called to Work in County Welfare Department

O. P. Whitney of Cucamonga, long a prominent West End resident, announced today that he had accepted a position with the San Bernardino county welfare department. He will assume his new duties shortly after the first of January.

Ever since coming to Cucamonga in 1906, Mr. Whitney has taken an active part in the welfare activities of the West End. In 1933 he was made a member of the county relief committee and assisted in the disbursement of FERA funds in Cucamonga and Etiwanda townships. In April, 1934, Mr. Whitney accepted a position with the state relief administration in San Bernardino county. He is still employed by the SRA, being a member of the staff of the Ontario district office. Since accepting his new position, he has tendered his resignation to the director of personnel of the state relief administration, to become effective Jan. 5.

During the past five and one-half years Mr. Whitney's duties have brought him in contact with the heads and managers of most of the banks, packing houses, business concerns and ranchers in the West End. He speaks in the highest of praise of the cooperation received from those in charge of these concerns. Mr. Whitney feels that this cooperation has been a wonderful help in solving some of the problems involved in administering a relief program. Only through the cooperation of the employer can problems of unemployment be solved, he states. Mr. Whitney bespeaks for his successor, yet to be named, the same helpful cooperation that has been accorded him.

SOCIAL SECURITY LAW IS CHANGED; PAY LIBERALIZED

Local People Who Qualify May Apply for Aid in San Bernardino

The New Year marks the begining of monthly payments by the federal government under the old-age and survivors insurance program of the social security act. An amendment to the act, passed at the last regular session of Congress, advanced the payment of these benefits by two years.

Eligible persons in San Bernardino, Riverside, Inyo and Mono counties will file their applications for these benefits with the San Bernardino office of the federal social security board, A. O. Arseneau, manager, has announced.

These monthly benefits, Arseneau explains, will be based entirely on work performed since Jan. 1, 1937, at jobs covered by the social security act. All lines of commercial and industrial employment are under the law. Workers in these jobs are required to have a social security account card. They also pay a tax of one per cent of their wages or salaries from such employment and the employer pays an equal amount.

The following groups of persons are entitled to these benefits:

(1) Workers of age 65 or more who choose to retire and who have worked at jobs covered by the social security act in at least six calendar quarters since January 1, 1937, and earned at least $50 in each quarter.

(2) The surviving widow and children of a worker who dies after Dec. 31 if there is a child under age 16 or under age 18 and in school. The deceased worker must also have had the six quarters of employment stated above.

(3) Surviving parents who were wholly dependent on an unmarried son or daughter may receive benefits when each parent attains 65. The deceased worker must have been fully insured under the law at time of death.

The insurance payments, according to Arseneau, should not be confused with public assistance to the needy aged, needy blind or needy dependent children. Public assistance programs are conducted by the state and local county governments.

The payments starting with the New Year are paid to "insured" workers or their surviving family.

Political Parade

BY CLEM WHITAKER

Politically, the New Year—1940—promises to provide more action than a pulp-paper detective story!

In California, campaign guns will boo mon all fronts, with a special session of the state legislature only a few weeks distant, three state-wide elections already definitely scheduled, and a fourth possible.

Nationally, President Roosevelt will boom on all fronts, with a cedent and seek a third term; the Democratic and Republican parties will stage their big conventions and select their standard-bearers, and the sovereign people of the United States, after all the shooting is over, will go to the polls and elect a President.

There won't be a dull moment!

Here is the California calendar of 1940 political events, as nearly as they can be tabulated at the moment:

January (probably running into February)—Special session of the legislature, with relief and tax issues furnishing the fireworks.

May 7 — Presidential primary, with the voters of both major parties selecting their delegates to the national nominating conventions.

August 27—State primary, with candidates for the Legislature, Congress and the U. S. Senate to be nominated. The feature event of this election, in all probability, will be the battle over the Senate seat of the veteran gladiator, Hiram W. Johnson.

November 5—General election, with the final run-off for Presidential candidates and scores of aspirants for other offices. Also, on this ballot, will be all initiative and referendum proposals which have qualified for submission to the voters.

The possibility of still another election during 1940 rests in the fact that new recall petitions against Governor Olson are in circulation, sponsored by the Ham and Eggs pension promoters and other dissatisfied elements. Reports are current along the political Rialto that independent oil companies have joined forces with the Ham and Eggers and are contributing to the recall war chest.

On the political front, the whole year promises to be as noisy as New Year's Eve, for California will be working over-time at the business of self-government. And in a republic, where every man is the equal of every other man at the ballot box, that means plenty of argument.
